

Participant	Luis Alberto Grajal De Blas
Country	Spain
Name of School	IES PÉREZ COMENDADOR
Address of School	Avda. Virgen del Puerto 20. PLASENCIA (CÁCERES). E 10600
School web-site	ies.perezcomendador@edu.juntaextremadura.net
Type of School	Public Secondary School. Its educational offer includes compulsory and non-compulsory secondary studies as well as vocational ones in health sciences, administration, food industries and building design.
Languages taught as part of the formal curriculum	Spanish, English and French. The school launched a Spanish-English bilingual programme at the beginning of this season. Tuition in English is provided in two non-linguistic subjects (Mathematics and Design and Technology). For the next year this offer will be broadened to a third subject (History and Geography).
Other languages	<p>Some students (about 5%) have some knowledge of the Portuguese Language. Plasencia is not far from the Portuguese border (about 80 km.)</p> <p>There are only three foreign students coming from South American countries. They all speak Spanish as mother language.</p> <p>Finally there are five gipsy students. Their linguistic background is similar to those of Spanish students</p>
