Participant's report to the National Nominating Authority and the National Contact Point

Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report¹ in the "Experts involved in ECML activities" section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project's working languages.

2. **Public information:** this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

This section should be written in (one of) your national language(s).

The completed file should be sent to

- the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at <http://www.ecml.at/aboutus/members.asp>)
 - and in copy to ECML Secretariat (Erika.komon@ecml.at)
- within the given deadline.

¹ Only if you authorised the ECML to publish your contact details.

1. Reporting

Name of the workshop participant	Konstantina-Titika Tsintoni
Institution	Ministry of Education, Research and Religious Affairs
E-mail address	tktsintoni@gmail.com
Title of ECML project	"Language for Work" / Atelier "La langue pour le travail", ECML/CELV, Graz - 23-24/10/2018
ECML project website	https://languageforwork.ecml.at/
Date of the event	23-24/10/2018
Brief summary of the content of the workshop	The workshop focused on issues concerning work - related L2 development and reviewed the products developed throughout the project (2016-2018). All participants shared ideas of the conditions and data of 31 European countries in the field of second language learning by immigrants, being employed in foreign countries, getting to learn the second language.
What did you find particularly useful?	The workshop gave the unique experience to representatives of different European countries to gather and discuss the latest news concerning the learning a foreign language as second by immigrants who live away from their country. I deepened knowledge as an adults' educator and philologist, got ideas for the teaching procedure, the parameters that intervene in getting to learn a foreign language and the conditions that have to take in mind when working with foreigners.
How will you use what you learnt / developed in the event in your professional context?	Having participated in the very interesting workshop, I have new ideas about organising and giving lessons in Greek as second language to foreigners and have also teaching material in my hand and file, very useful to my job. Moreover, I have entered a group of European experts in the field of language learning and I will keep in touch in order to make a learning community, change practices, ideas, and experiences.
How will you further contribute to the project?	I would be very interested in making publications on the issue of learning a foreign/second language and maybe edit a book. I can moreover translate any of the material that has already been prepared by the ECML, upload resources, news and events on the related thematic area and issue.

<p>How do you plan to disseminate the project?</p> <ul style="list-style-type: none"> - to colleagues - to a professional association - in a professional journal/website - in a newspaper - other 	<p>I am going to inform all my colleagues about the ECML and the things that have already been done by it. I am going to send them the website information so as to have in mind the results that have been raised by the project and the network and I am going to show the guides that have already been produced in English and German version as they are extremely useful to persons and professionals involved in the field of language learning. I am going to take part in scientific conference in my country and make references of the ECML and the project material, the network, the material that has already been produced.</p>

2. Public information

Short text (about 200 words) for the promotion of the ECML event, the project and the envisaged publication with a focus on the benefits for target groups. This text should be provided in your national language(s) to be used for dissemination (on websites, for journals etc.).

Στο πλαίσιο του project Language for work –Tools for Professional development, μου δόθηκε η εξαιρετική ευκαιρία να γνωρίσω το European Centre for Modern Languages και το έργο που έχει μέχρι στιγμής συντελεστεί από αυτό στον τομέα της εκμάθησης των ξένων γλωσσών από ξένους, μετανάστες, πρόσφυγες. Έμαθα για το υλικό που έχει δημιουργηθεί και το οποίο μπορώ να αξιοποιήσω στον εκπαιδευτικό μου ρόλο, ενώ θα επιδιώξω να εμπλακώ σε δράσεις και προγράμματα εκπαίδευσης/κατάρτισης για το ζήτημα της εκμάθησης ξένης γλώσσας από εργαζόμενους για επαγγελματικούς λόγους. Θα κρατήσω επαφή και επικοινωνία με όλους τους Ευρωπαίους συναδέλφους μου που έλαβαν μέρος στη συνάντηση, καθώς αποκόμισα πολλές ιδέες από αυτούς για την εκπαιδευτική και συμβουλευτική πρακτική στον τομέα της ενθάρρυνσης και ενσωμάτωσης ξένων υπηκόων στη χώρα μου, ενώ θα επιδιώξω να συμμετέχω σε επιστημονικά συνέδρια - επιστημονικές συγκεντρώσεις, στην πορεία, όπου και θα μεταφέρω το έργο που έχει ήδη συντελεστεί από το ECML και θα δώσω έμφαση στη ανάγκη συνεργασίας Υπουργείου Παιδείας και Υπουργείου Εργασίας στα ελληνικά δεδομένα. Παράλληλα, σκοπεύω να μελετήσω τη νέα πρόσκληση – project του ECML που αναμένεται στη αρχή του 2019 και να εξετάσω το ενδεχόμενο εμπλοκής δικής μου αλλά και της χώρας μου σε αυτό.
