

Team teaching

Language + Subject

Team teaching offers many opportunities to strengthen the role of modern languages in the learning environment. Here are some models.

Subject literacy

Communication in the target language(s)

Intercultural cross-subject skills

<p>Model A Shadowing as a first</p>	<p>Model B Try out co-animation : the learners love it</p>	<p>Model C Use all spaces : one teaches, one supports</p>
<p>Model D Work on a common project through parallel teaching</p>	<p>Model E : Target learner needs with alternative teaching</p>	<p>Model F Challenge the learners by using learning stations</p>
