# Participant's report

## to the National Nominating Authority and
## the National Contact Point

**Meeting report**

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting**: this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report[1] in the "Experts involved in ECML activities" section of each ECML member state website (please see http://contactpoints.ecml.at).

   This section should be written in one of the project's working languages.

2. **Public information**: this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

   This section should be written in (one of) your national language(s).

**The completed file should be sent to**

- **the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at http://www.ecml.at/aboutus/members.asp)**

- **and in copy to ECML Secretariat (Erika.komon@ecml.at)**

**within the given deadline.**
