## Participant's report to the National Nominating Authority and the National Contact Point

### Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report<sup>1</sup> in the "Experts involved in ECML activities" section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project's working languages.

2. **Public information:** this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

This section should be written in (one of) your national language(s).

### The completed file should be sent to

- the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at <http://www.ecml.at/aboutus/members.asp>)
- and in copy to ECML Secretariat ([Erika.komon@ecml.at](mailto:Erika.komon@ecml.at))

within the given deadline.

<sup>1</sup> Only if you authorised the ECML to publish your contact details.

<b>Date of the event</b>	1.-2. 3. 2017
<b>Brief summary of the content of the workshop</b>	This project will develop a professionally-oriented competency framework for sign language teachers and provide B2 level materials and learning activities from different European sign languages. We will also create a European language portfolio (ELP) that takes account of any modality specific requirements for sign languages.
<b>What did you find particularly useful?</b>	For me was good news that publication was published: Sign languages and the Common European Framework of Reference for Languages - Common Reference Level Descriptors. This publication must give to translate into Slovak language. For me it was useful to learn about the European language portfolio, which was for me a so far unknown area.
<b>How will you use what you learnt / developed in the event in your professional context?</b>	We will use this publication (Sign languages and the Common European Framework of Reference for Languages - Common Reference Level Descriptors) for practice. For example: for teaching the subject of Slovak sign language and for courses of Slovak sign language.
<b>How will you further contribute to the project?</b>	We will use this publication (Sign languages and the Common European Framework of Reference for Languages - Common Reference Level Descriptors) for practice. <p><b>2. Public information</b></p>
<p><b>Short text (about 200 words) for the promotion of the ECML event, the project and the envisaged publication with a focus on the benefits for target groups. This text should be provided in your national language(s) to be used for dissemination (on websites, for journals etc.).</b></p>
<p>Pre nás je výborná správa, že Európske centrum pre moderné jazyky si váži prirodzené jazyky národných komúnit nepočujúcich, ktoré na svoju webovú stránku pridalo okienko o posunkových jazykoch s vloženými videami v medzinárodnom posunkovaní. Zároveň sme radi, že vyšla užitočná publikácia Posunkové jazyky a Spoločný európsky referenčný rámec pre jazyky: Deskriptory pre spoločné referenčné úrovne ako ďalší materiál k Spoločnému európskemu referenčnému rámcu pre jazyky. Vážime si, že Európske centrum pre moderné jazyky podporuje realizovať dva projekty. Prvý projekt, ktorý prebiehal v rokoch 2012 – 2015, mal názov: Posunkové jazyky pre profesionálne účely a bol zameraný najmä na výučbu posunkového jazyka a na študijný program zameraný na tlmočníctvo. Druhý projekt, ktorý prebieha od roku 2016, nesie názov: Podpora kvality výučby posunkového jazyka, ktorý kladie dôraz na kompetencie učiteľov a tvorby vhodného materiálu.</p>
