Participant's report
to the National Nominating Authority and the National Contact Point

Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting**: this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report[1] in the "Experts involved in ECML activities" section of each ECML member state website (please see http://contactpoints.ecml.at).

   This section should be written in one of the project's working languages.

2. **Public information**: this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

   This section should be written in (one of) your national language(s).

The completed file should be sent to

- **the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at http://www.ecml.at/aboutus/members.asp)**

- **and in copy to ECML Secretariat (Erika.komon@ecml.at)**

within the given deadline.

Institution	**Järfälla Språkcentrum**
E-mail address	**sharmila.vithlani@jarfalla.se**
Title of ECML project	**Roadmap**
ECML project website	Roadmap projekt ENG
Date of the event	**15-16 November 2018**
Brief summary of the content of the workshop	**To finalise project outputs from working sessions on the language dimensions in subjects - placing theory in local contexts and analysis of the Roadmap according to the different stakeholders. Further collection and working of promising practices in participants contexts. Group discussions of the planned guide for Roadmap.**
What did you find particularly useful?	**Better understanding of the project from a local to a larger context. Meeting participants from other European countries and exchanging experiences and expertise.**
How will you use what you learnt / developed in the event in your professional context?	**Implement Roadmap tool at a local level in cooperation with headteachers, subject teachers and parents as well as other school personal. Spread information about the project and gain further cooperation with schools within the local community - an important cooperation needed for students with another mother tongue than language(s) of schooling**
How will you further contribute to the project?	Information meeting for subject teachers, headteachers, parents and other school personal for implementation of Roadmap
How do you plan to disseminate the project? - to colleagues - to a professional association - in a professional journal/website - in a newspaper - other	**Spread the aim of the project to the local council schools by sharing the project and experience from our workshop in Graz 15-16 november to all stakeholders by setting up an information letter on our internal council website - this will be linked to an application of interest in participating. This will be followed up by an information meeting as a starting point of implementing Roadmap.**

2. Public information

Spreading information in the local council's homepage which reaches out to all schools. This is in progress and ready to set up January 2019 - A copy is at present undergoing feedback from the National contact point in Sweden.
