

SWEDEN

A changed mindset

Setting

- Supporting multilingual classrooms
- Alignment with national developments

1st trip: 2020

- 2nd high school; 28
- Swe 2nd language
- Vocational
- Teach and learn together
- Share lessons and projects
- Prepare and evaluate
- Focus: facts and language support + dev.

Different game: 2021

- Year 1-6; 36
- Class teachers
- Mother tongue
- Projects, Fairy tales
- Classroom visits

Follow-up

- Conferences
- Certificate
- ELL award Priority area
- Social media
- Marketing week

Wishes

- Implement in order to give equal chances – communities differ too much
- Small languages
- Adult education
- Assessment
- Pods, short films, networking

Bring home

”I changed my way of thinking about my teaching. I used to give the students tasks, not thinking about language. Now, in my lessons, they make word lists in their mother tongues and Swedish so they can prepare and get the context”
