1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report<sup>1</sup> in the "Experts involved in ECML activities" section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project's working languages.

Durante los días 2 y 3 de diciembre de 2021 tuvo lugar el seminario del proyecto [RECOLANG](#) (Recursos para la evaluación de las competencias en las lenguas del hogar del alumnado migrante), del [ECML/CELV](#). La actividad se centró en la presentación del trabajo llevado a cabo por este grupo y en la realización de actividades de reflexión y debate en torno a la evaluación de las lenguas del hogar.

El equipo RECOLANG inició el seminario fundamentando la evaluación de las lenguas del hogar del alumnado plurilingüe y los objetivos que se persiguen. Se resaltó que el foco principal del trabajo de RECOLANG es mejorar el apoyo profesional que se presta a los jóvenes migrantes para su aprendizaje y para el desarrollo de sus itinerarios educativos. Seguidamente, los participantes analizaron varios enfoques y herramientas seleccionadas previamente por el equipo RECOLANG. Durante el análisis se debatió el alcance de estos recursos, sus limitaciones y también su valor subyacente. Las herramientas que se analizaron fueron:
