

UNIT 2: Changing the place where we live

Learner worksheet 2.6 OUR MAGAZINE

Materials required: -

Grouping: The text 'Grouping:' is followed by three sets of three small cartoon figures, each set representing a group of three students.

Create the magazine of your class.

1. Work in the same group and write down an article based on the findings of your interview. Talk about immigrants' lives in your region. (45 - 60')
2. Select all the articles and compile a magazine. Work in groups again. Each group will take on a different task: Choose a title, edit the cover, decide on which order the articles will be presented, find or make photos to escort the article. (90')

Assessment: Attention should be paid to correct spelling, vocabulary, grammar and syntax; generally, to the composition of the articles.

Notes for the teacher: The teacher should give the students to be creative and compile their own magazine. He/she should assist the pupils only when they need it. The students may choose freely the language in which they write the article (either L1 or L2).

Timing: 135 - 150' minutes

Grouping: groups of 3
