## Participant's report to the National Nominating Authority and the National Contact Point

### Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report<sup>1</sup> in the "Experts involved in ECML activities" section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project's working languages.

2. **Public information:** this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

This section should be written in (one of) your national language(s).

### The completed file should be sent to

- the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at <http://www.ecml.at/aboutus/members.asp>)
- and in copy to ECML Secretariat ([Erika.komon@ecml.at](mailto:Erika.komon@ecml.at))

within the given deadline.

<sup>1</sup> Only if you authorised the ECML to publish your contact details.

## 2. Public information

**Short text (about 200 words) for the promotion of the ECML event, the project and the envisaged publication with a focus on the benefits for target groups. This text should be provided in your national language(s) to be used for dissemination (on websites, for journals etc.).**

Workshop s názvem CEFR Companion Volume implementation toolbox konaný v září 2021 byl zaměřen na prověření, revizi a dokončení materiálů cílených na profesionální rozvoj osob aktivních v oblasti jazykového vzdělávání. Zkušení a kompetentní vzdělavatelé budoucích učitelů, tvůrci kurikula a testů, kteří se specializují na výuku jazyků v rámci středního odborného školství a/nebo univerzit, byli pozváni k účasti na aktivitách, jejichž cílem je vytvořit praktický a přehledný nástroj na šíření idejí a principů obsažených v CEFR Companion Volume (doplněk SERR z roku 2020). Tímto nástrojem se stane sada online modulů s audio-vizuálními prvky, pracovními listy, checklisty, příklady hodnocení, ukázkovými hodinami, motivujícími a inspirativními příklady z praxe a aktivitami podporujícími profesionální rozvoj. Tyto materiály budou zdarma k dispozici v různých jazycích s cílem nalézt využití nejen při přímém vzdělávání, ale rovněž při samostudiu.
