Participant's report to the National Nominating Authority and the National Contact Point

Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report¹ in the "Experts involved in ECML activities" section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project's working languages.

2. **Public information:** this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

This section should be written in (one of) your national language(s).

The completed file should be sent to

- the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at <http://www.ecml.at/aboutus/members.asp>)
- and in copy to ECML Secretariat (Erika.komon@ecml.at)

within the given deadline.

¹ Only if you authorised the ECML to publish your contact details.

1. Reporting

Name of the workshop participant	Marija Bojić
Institution	Primary school “Oktoih” Podgorca; English Language Teachers’ Association of Montenegro – ELTAM
E-mail address	marijabojicpg@gmail.com
Title of ECML project	“Developing teacher competences for pluralistic approaches”
ECML project website	https://www.ecml.at/ECML-Programme/Programme2020-2023/Developingteachercompetencesforpluralisticapproaches/tabid/4300/language/en-GB/Default.aspx
Date of the event	September 28-29, 2021
Brief summary of the content of the workshop	The aim of the workshop “Developing teacher competences for pluralistic approaches” is to improve learning in the various aspects of language education by focusing on students’ prior education. They make it possible to take better account of the languages of the classroom, promote the development of plurilingual and intercultural skills and contribute to success in all subjects, which is based on the language skills of the learners.
What did you find particularly useful?	It was useful to participate in discussions with colleagues from different countries where we shared ideas and examples of good practice.
How will you use what you learnt / developed in the event in your professional context?	I will share my impressions and gained knowledge from the workshop in English Language Teachers’ Association of Montenegro ELTAM newsletter.
How will you further contribute to the project?	By presenting the information I have with the colleagues from Montenegro. I will also follow the further development of the project phases on ECML website and if possible arrange sharing ideas with the colleagues I met during the workshop in Graz.

<p>How do you plan to disseminate the project?</p> <ul style="list-style-type: none"> - to colleagues - to a professional association - in a professional journal/website - in a newspaper - other 	<p>My plans are to write a report for Bureau for Education Services and article in ELTAM newsletter, to share information with the colleagues, to publish info at ELTAM website and Facebook page. There is also a possibility of incorporating some of the ideas and resources into my teacher training programs.</p>

<p>2. Public information</p>
<p>Short text (about 200 words) for the promotion of the ECML event, the project and the envisaged publication with a focus on the benefits for target groups. This text should be provided in your national language(s) to be used for dissemination (on websites, for journals etc.).</p>
<p>28. i 29. septembra 2021. godine u Evropskom centru za moderne jezike u Grazu, Austrija, realizovan je dvodnevni seminar na temu "Developing teacher competences for pluralistic approaches". Seminar je organizovan kao hibridni događaj gdje su edukatori i nastavnici iz 16 zemalja pratili predavanja i učestvovali u radionicama uživo, a predstavnici ostalih 18 zemalja su seminar pratili preko zoom linka.</p> <p>Tokom trajanja seminara predstavljen je rad Evropskog centra za moderne jezike, njihov web sajt (www.ecml.at) koji može poslužiti kao izvor informacija za nastavnike stranih jezika pri organizovanju nastave. Učesnicima je predstavljen dosadašnji rad na projektu "Developing teacher competences for pluralistic approaches" na kojem su radili edukatori iz više zemalja.</p> <p>Jedan od ciljeva ovog projekta je identifikovanje specifičnih kompetencija nastavnika koje su potrebne za korišćenje pluralističkih pristupa u nastavi i učenju, dok je drugi cilj ponuditi materijale za razvoj ovih kompetencija u različitim kontekstima obrazovanja nastavnika. Tokom svog rada potrebno je da nastavnici unapređuju konstantno svoje vještine i znanja. Istaknuto je da postoji 7 kompetencija (dimenzija) koje je potrebno razvijati. Fokus ovog seminara je bio na kompetenciji/dimenziji 1 (profesionalne vrijednosti i principi) i kompetenciji/dimenziji 5 (nastavne kompetencije).</p> <p>Rad na ovom projektu se nastavlja, razvoj ću svakako pratiti i ukoliko bude moguće neke od ideja uključiti kao sastavni dio svojih treninga za nastavnike stranih jezika.</p>
