☒	I intend to give a presentation of the project / event outside my place of work (professional association, conference etc.).
☒	I intend to publish an article / paper about the event and/or the ECML project.
☒	I intend to put information about the ECML project on a website.
☐	I intend to initiate a project or join an existing one related to the theme of this ECML project.
☐	Other:

Please indicate in which way your experience from this workshop is likely to have an impact on corresponding developments in language education on a local/regional or national level in your country:

I expect this Think tank will contribute to gaining new knowledge on transversal competencies not only for my students but for me, personally, too. I believe the discussions on the think tank's main focus points such as co-operation, problem solving, critical thinking, and digital literacy will be very important in implementing this in language learning. Our current curricula need to be improved and updated urgently with relevant, modern topics that both educate and stimulate language learners in this respect.

7. Venue / Lieu

Venue: ECML, Graz, Austria (sanitary crisis permitting). If travel is not possible the workshop will take place online.

Participants who think they will be in a position to travel to the ECML, Graz, Austria, are requested to tick the box below.

If the pandemic allows for some participants to travel to Graz a hybrid event may be envisaged.

☒ I think I can travel to Graz to participate in the Workshop on site.

Lieu : CELV, Graz, Autriche (si la crise sanitaire le permet). S'il n'est pas possible de voyager, l'atelier aura lieu en ligne.

Les participants qui pensent être en mesure de se rendre au CELV (Graz, Autriche) sont priés de cocher la case ci-dessous.

Si la situation sanitaire ne permet qu'à un certain nombre de participants de se rendre à Graz, un événement hybride pourra être envisagé.

☐ Je pense pouvoir me rendre à Graz pour participer à l'atelier sur place.
