## Participant's report to the National Nominating Authority and the National Contact Point

### Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report<sup>1</sup> in the "Experts involved in ECML activities" section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project's working languages.

2. **Public information:** this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

This section should be written in (one of) your national language(s).

### The completed file should be sent to

- the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at <http://www.ecml.at/aboutus/members.asp>)
- and in copy to ECML Secretariat ([Erika.komon@ecml.at](mailto:Erika.komon@ecml.at))

within the given deadline.

<sup>1</sup> Only if you authorised the ECML to publish your contact details.

## 2. Public information

**Short text (about 200 words) for the promotion of the ECML event, the project and the envisaged**

**publication with a focus on the benefits for target groups. This text should be provided in your national language(s) to be used for dissemination (on websites, for journals etc.).**

Da bi došlo do primene transverzalnih kompetencija u nastavi stranog jezika u Srbiji na visokoškolskim ustanovama potrebno je pripremiti teren prvenstveno sa objavljenim istraživanjima na tu temu a zatim i kroz predstavljanje TK na naučno-stručnim konferencijama. Promena kurikuluma nije moguća odmah, jer se nastavni plan i program na VŠU predaje na nekoliko godina zbog akreditacije. Iz tog razloga prvo treba podržati ideju o TK dobrim naučno-istraživačkim i stručnim radovima.

Kako bi se to postiglo, moj plan je da počnem sa identifikacijom prioriternih kometencija i da rezultate svog rada predstavim na konferenciji u septembru 2022. u Novom Sadu "The Importance of Learning Professional Foreign Languages for Communication between Cultures". Nakon toga sledi rad za Zbornik radova, a paralelno s tim bih organizovala radionicu na temu transverzalnih kompetencija. Krajnji cilj je pokretanje projekta na ovu temu.
