Participant's report to the National Nominating Authority and the National Contact Point

Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report¹ in the "Experts involved in ECML activities" section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project's working languages.

2. **Public information:** this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

This section should be written in (one of) your national language(s).

The completed file should be sent to

- the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at <http://www.ecml.at/aboutus/members.asp>)
- and in copy to ECML Secretariat (Erika.komon@ecml.at)

within the given deadline.

¹ Only if you authorised the ECML to publish your contact details.

1. Reporting

Name of the workshop participant	Nerma Dobricanin
Institution	JU Srednja stručna škola, Rožaje - Montenegro
E-mail address	nermadobricanin@gmail.com
Title of ECML project	“Enhancing language education in cross-border vocational education”
ECML project website	https://www.ecml.at/ECML-Programme/Programme2020-2023/Crossbordervocationaleducation/tabid/4303/language/fr-FR/Default.aspx
Date of the event	February 7-8, 2023
Brief summary of the content of the workshop	27 participants from ECML member states discussed on chapters regarding Manual for teachers, educators and stakeholders on language education in cross-border regions. Participants suggested ideas, exchanged experiences and made contributions themselves. During the discussions, the importance of languages and plurilingual/intercultural competences in vocational training and cross-border working environments was emphasized and at the same time, new ideas for implementation and conduction was born among teachers.
What did you find particularly useful?	Sharing thoughts and ideas with teacher colleagues and their practices in different countries and border regions, especially practices regarding teaching in bilingual environments.
How will you use what you learnt / developed in the event in your professional context?	I will organize bilingual classes with my bilingual students and incorporate CLIL, where students will have opportunity to compare cultures and value language learning and plurilingualism. I will present about it on ELTAM (English language Teachers' Association of Montenegro) conference.
How will you further contribute to the project?	By being informed and follow the future development of the project and the Manual and finding appropriate ways to get involved.
How do you plan to disseminate the project? - to colleagues - to a professional association	I will send report to Bureau for Education Services and write an article in ELTAM (English language Teachers' Association of Montenegro) newsletter. I also have intention to present about the event and the content of the Manual on

- in a professional journal/website
- in a newspaper
- other

ELTAM International conference, and to spread the word among colleagues in my community.

2. Public information

Short text (about 200 words) for the promotion of the ECML event, the project and the envisaged publication with a focus on the benefits for target groups. This text should be provided in your national language(s) to be used for dissemination (on websites, for journals etc.).

7. i 8. Februara 2023. godine u Evropskom centru za moderne jezike u Grazu, Austrija, realizovana je dvodnevna radionica na temu "Enhancing language education in cross-border vocational education". radionica je organizovana kao hibridni događaj gdje su edukatori i nastavnici iz više od 25 zemalja mogli da razmijene iskustva uživo, dok je njih nekoliko događaj pratilo online.

Učesnicima je predstavljen rad Evropskog centra za moderne jezike (više o tome može se naći na njihovom web sajtu www.ecml.at), i projektu, odnosno vodiču, koji je trenutno u fazi razrade a tiče se unapređivanja interkulturalnih kometencija učenika u stručnom obrazovanju u pograničnim oblastima, poboljšanja jezika u tim sferama kao i njihovom budućem kvalifikovanju i konkurentnosti na tržištu rada. Učesnici su podijelili svoja zapažanja, dali konkretne primjere prakse i načina rada u njihovim regionima i predložili ideje koje su posebno korisne kada su u pitanju međukulturalne i višejezičke sredine i oblasti, posebno u stručnom obrazovanju i različitim zanimanjima.

S obzirom da radim u Srednjoj stručnoj školi u pograničnom dijelu crne Gore sa Kosovom i Srbijom, sa posebnim interesovanjem ću pratiti dalji tok razvoja projekta i po mogućnosti se uključiti u isti.
