We are thrilled to share the recent developments from our team member meeting for the project "Using ECML Resources for Plurilingual and Intercultural Education for Democratic Culture." This gathering marked a significant step forward in our mission to support member states in implementing the Council of Europe Recommendation on plurilingual and intercultural education for democratic culture.

At the end of the meeting the following results were attained:

Features of the grid for mapping ECML resources against Council of Europe Recommendation principles were finalised.

The number of ECML projects to be included in the mapping process were identified and agreed.

Competencies for democratic culture to be integrated into the mapping were identified and agreed.

A list of potential members for our network meeting was established.

By fostering team dynamics and bringing members together for the first time, the event significantly contributed to project advancement. Moving forward, we are eager to explore strategies for disseminating our available projects and engaging professionals in applying our resources within their networks. Together, we aim to bridge projects and resources with professionals in teaching, research, policymaking, and beyond. Stay tuned for more updates as we continue to make strides in our project journey.

Wir freuen uns, Ihnen die jüngsten Entwicklungen vom Treffen der Teammitglieder im Projekt "Verwendung von EFSZ-Ressourcen für mehrsprachige und interkulturelle Bildung für eine Kultur der Demokratie" zu übermitteln. Dieses Treffen war ein bedeutender Schritt für unser Vorhaben, die

Mitgliedsstaaten bei der Umsetzung der Empfehlung des Europarates zur mehrsprachigen und interkulturellen Bildung für eine demokratische Kultur zu unterstützen.

Das Treffen führte zu den folgenden Ergebnissen:

- Die Merkmale des Rasters für die Zuordnung von EFSZ-Ressourcen zu den Grundsätzen der Europaratsempfehlung wurden fertiggestellt.
- Die Anzahl der EFSZ-Projekte, die in den Kodierungsprozess einbezogen werden sollen, wurde festgelegt und vereinbart.
- Kompetenzen für demokratische Kultur, die in die Beschreibung integriert werden sollen, wurden identifiziert und vereinbart.
- Eine Liste potenzieller Mitglieder für unser Netzwerktreffen wurde erstellt.

Das Treffen förderte die Teamdynamik, brachte die Mitglieder zum ersten Mal zusammen und trug somit erheblich zum Projektfortschritt bei. In Zukunft werden wir Strategien für die Verbreitung der Projekte erkunden und Fachleute motivieren, unsere Ressourcen in ihren Netzwerken zu nutzen. Gemeinsam wollen wir Projekte und Ressourcen mit Fachleuten in Lehre, Forschung, Politik und darüber hinaus vernetzen. Bleiben Sie auf dem Laufenden über die Fortschritte in unserem Projekt.
