

Participant's report

to the National Nominating Authority and the National Contact Point

Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report¹ in the "Experts involved in ECML activities" section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project's working languages.

2. **Public information:** this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

This section should be written in (one of) your national language(s).

The completed file should be sent to

- the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at <http://www.ecml.at/aboutus/members.asp>)
- and in copy to ECML Secretariat (Erika.komon@ecml.at)

within the given deadline.

1. Reporting

¹

Only if you authorised the ECML to publish your contact details.

Name of the workshop participant	Eniola Koja
Institution	Sami Frasheri HighSchool Tirana Albania
E-mail address	eniolabektashi@gmail.com
Title of ECML project	Literacies through Content and Language Integrated Learning: effective learning across subjects and languages.
ECML project website	Graz Group teachers and experts
Date of the event	18-19 June 2014
Brief summary of the content of the workshop	The content of the workshop was designing learning progressions towards literacy.
What did you find particularly useful?	I found particularly useful the presentations of the teachers that were very interesting with different kinds of preparing, arguing, workgroups and communicating.
How will you use what you learnt/ developed in the event in your professional context?	I will use what I learnt with putting into action all the forms of organising the learning through conceptualising and communicating.
How will you further contribute to the project?	I will further contribute to this project sending you my practice and videos that show all the forms of learning and activities of the students.
How do you plan to disseminate the project? <ul style="list-style-type: none"> - to colleagues - to a professional association - in a professional journal/website - in a newspaper - other 	I will plan to disseminate the project to my colleagues to show them another kind of teaching that is very useful and practical and made it very valuable not only for the teachers but also for the students.

1. Public information

Short text (about 200 words) for the promotion of the ECML event, the project and the envisaged publication with a focus on the benefits for target groups. This text should be provided in your national language(s) to be used for dissemination (on websites, for journals etc.).
