Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report¹ in the “Experts involved in ECML activities” section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project’s working languages.

2. **Public information:** this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

This section should be written in (one of) your national language(s).

The completed file should be sent to

Det europeiske fremmedspråksenteret (ECML) har lansert et prosjekt som kalles *European Portfolio for Student Teachers of Pre-Primary Education* (Europeisk språkperm for barnehagelærerstudenter). Prosjektets hovedmål er å utvikle et refleksjonsverktøy for språk og kultur som skal brukes som et hjelpemiddel i barnehagelærerutdanningen. Prosjektperioden varer fra 2013 til 2015, og resultatet av prosjektet skal munne ut i en ferdig språkperm for barnehagen til bruk i utdanningen av fremtidige barnehagelærere.

12. og 13. desember 2013 ble det arrangert en workshop ved ECMLs hovedkvarter i Graz. Deltakere fra 25 land var til stede. Hovedmålet for denne workshoppen var å diskutere i hvilken grad en slik språkperm kan bli integrert i det enkelte lands barnehagelærerutdanning, og i så fall på hvilken måte. Det ble også diskutert hvilke funksjoner en språkperm bør ha for å møte de behovene barnehagen har; skal den bidra til å reflektere rundt egen faglig praksis, være en kilde til egenvurdering for læreren, eller skal den brukes til å reflektere over konkrete praksissituasjoner?

Arbeidet med å lage en felles europeisk språkperm for barnehagen er veldig spennende, og dette er noe som vil gi både studenter og lærere et utmerket verktøy i arbeidet med språk og kultur. Følg med på utviklingen av prosjektet på Fremmedspråksenterets hjemmeside og på <http://www.ecml.at/F2English/tabid/1274/language/fr-FR/Default.aspx>. Har du innspill? Ta gjerne kontakt med oss!
