Participant report on the ECML Summer Academy 2022 to the National Authorities

Event report

Please complete this form at the latest **by 20.09.2022**. It contains two sections:

1. **Reporting:** this section focuses on feedback to your National Authorities on the event, on what you feel you learnt, on how the event will affect your work and on how you intend to share that learning with others. With your agreement, it will also be published by the ECML¹ in the “Experts involved in ECML activities” section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in either English or French.

2. **Public information:** this is a short, promotional text on the event (around 200 words) which should be of interest to a larger audience in your country. One way to do this is to make reference to key publications or developments that were discussed at the event, and which are of interest in your country.

This section should be written in (one of) your national language(s).

The completed file should be sent to:

- the ECML National Nominating Authority and Contact Point in your country and in copy to the ECML GB member and to katarina.vuksic@ecml.at. Contact details for your Nominating Authority, Contact Point and Governing Board member can be found here: [ECML/CELV > About us > Member State Representation](#)

¹ Please complete the authorization form to allow the ECML to publish your contact details.

1. Reporting

Your name	Simone Groeneveld
Institution	Windesheim University of Applied Sciences / Hogeschool Windesheim
E-mail address	s.groeneveld@windesheim.nl
Brief summary of the content of the event	Summer academy with info about ECML and related efforts wrt foreign language education
What did you find particularly useful?	Explanation of proceedings, how models and frameworks came about, and the frameworks themselves. Also, experiences of other participants working in different national contexts.
How will you use what you learnt / developed in the event in your own professional context?	I am developing several future oriented courses where I will use plurilingual models and many websites discovered at the academy. For me personally, insight into origins was interesting.
How do you plan to share what you have learned/discovered with others in your country?	My colleagues have already heard (in a meeting). Soon, my students will too (via courses).

2. Public information

Short text (about 200 words) in one of your national languages to help promote the ECML Summer Academy to a wider public.

De ECML Zomer Academie is interessant voor alle lerarenopleiders moderne vreemde talen die graag nieuwe inspiratie willen voor hun vakken, willen horen van en overleggen met andere lerarenopleiders uit heel Europa, en meer willen weten over hoe het ERK en andere raamwerken en competentie modellen zijn ontwikkeld en opgebouwd.
