## 1. Reporting

<b>Your name</b>	Marija Mijušković
<b>Institution</b>	University of Montenegro
<b>E-mail address</b>	ape.maja@t-com.me
<b>Brief summary of the content of the event</b>	The Summer Academy centred on present-day matters in language-based teacher education, specifically related to the principles of the Council of Europe and European Commission language policies. It was a great and helpful experience since participants came from diverse backgrounds, all of whom had the opportunity to discover something new, share their perspectives, and learn new things to apply back in their respective educational systems in their countries.
<b>What did you find particularly useful?</b>	All the modules proved extremely useful and provided ample opportunities to broaden our perspective on project work in our respective countries. It also made us contemplate collaborating with other partner countries.
<b>How will you use what you learnt / developed in the event in your own professional context?</b>	I look forward to implementing some practical activities I learned during the summer with my students. I plan to use these activities with EFL methodology students at the Faculty of Philology.
<b>How do you plan to share what you have learned/discovered with others in your country?</b>	I am planning to share information with my colleagues about the ideas I developed while participating in the summer academy. We had the opportunity to discuss current topics and projects that are very important to the educational system in Montenegro.

## 2. Public information

**Short text (about 200 words) in one of your national languages to help promote the ECML Summer Academy to a wider public.**

Iskustvo i saznanja koja sam stekla na ljetnjoj akademiji koristiću u daljem radu, kako u nastavi tako i kroz saradnju sa kolegama na Filološkom fakultetu, kolegicama i kolegama koje sam upoznala u Gracu. Otvorile su se mogućnosti za projektnu saradnju Univerziteta Crne Gore i Zavoda za školstvo sa drugim univerzitetima i obrazovnim institucijama.
