1. Records description

The 29 documents contained in this box relate to the work of five of Council of Europe's committees and councils:

- the Committee for Out-of-School Education and Cultural Development;
- the Committee for General and Technical Education;
- the Committee for Higher Education and Research;
- the Council for Cultural Cooperation; and
- the Committee on Culture and Education, covering different instances of media systems in language learning.

This collection of papers deals with the following topics:

- the use of audio-visual media in modern language teaching;
- the use of audio-visual media in adult and vocational education;
- the problems involved in the evaluation of multimedia educational systems for out-of-school education;
- the conditions for recurrent education at a higher level;
- the symposium on “Intensive courses for modern language teachers”
- European unit/credit system in the field of adult language learning;
- the analysis of problems in defining a basic competence level in foreign language learning by adults (in connection to the Threshold Level).

The documents also include a working paper that establishes a synthesis on the basis of contributions from: Belgium, Denmark, Germany, England, France, Netherlands, Sweden, Holy See and Cyprus; as well as a plan for a European unit-credit system in the field of adult language learning.
