1. Records description

The box includes 99 documents (agendas, bibliographies, language tests, notes, papers, programmes and reports) relating to the Council of Europe activities carried out in the field of modern languages between 1987 and 1988, in particular by the Council for Cultural Co-operation, the Directorate of Education, Culture and Sport, the Committee for out-of-school education and cultural development and the Committee of Ministers.

The papers focus on

- adult language learning
- foreign language learning
- occupationally oriented foreign language learning
- learning and teaching modern languages for communication
- planning and production of a new multimedia course for English
- educational research workshops on interactive learning and new technologies
- activities of the Council for Cultural Co-operation regarding language learning and teaching

The records also include information about Recommendation No. R (82) 18 of the Committee of Ministers concerning modern languages and the initiation of the programme on language learning for European citizenship.
