## 1. Records description

The 68 documents contained in this box relate predominantly to the work of Swedish Board of Education, Swedish Immigration Board, Swedish Ministry of Education and The Committee for Television and Radio in Education.

This collection of papers deals with the following topics:

- Language testing and evaluation in Swedish schools;
- Language courses and course materials;
  
- Curricula adaptation and course material development in adult education;
- Government-subsidized adult education in Sweden;
- Multimedia in adult education – adult education through radio and television;
- Beginner language courses for adult learners;
  
- Linguistic integration - language training for immigrant workers in Sweden;
- Immigrant rights in Sweden.

The documents also include sets of different level core language tests (English, French, German) with answer foils, as well as a range of flyers and brochures containing further information on language courses and adult education projects in Sweden.
