## 1. Records description

The 82 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe: Council for Cultural Co-operation, Directorate of Education, Culture and Sport, Education Committee, European Language Portfolio Group, European Language Portfolio Reference group, Modern Languages Section, Working Group on the feasibility of a European Language Portfolio.

This collection of papers deals with the following topics:

- design and content of the European Language Portfolio;
- evaluation of competences;
- implementation of the European Language Portfolio at the European level;
- review of viability and the feasibility of European Language Portfolio and its implementation;
- self-assessment strategies and activities in learning;
- use of the European Language Portfolio within educational system.

The document also includes an excerpt from publication about “New Standards Project” prepared by Learning Research and Development Center, University of Pittsburgh.
