Archive box no. 41.124 FCE – First Certificate exams in English	80

Archive box no. 15.01**Council of Europe documents 1961-1971**

37 documents (resolutions, recommendations, reports, reviews, articles, lecture summaries, memoranda, proceedings, programmes, questionnaires, draft statutes and working documents) relate to the Council of Europe activities carried out in the field of modern languages between 1960 and 1969, in particular by the Council for Cultural Co-operation, the Committee for Higher Education and Research, and the Committee for General and Technical Education.

The papers focus on

- developments and trends in modern language teaching and linguistic research during that decade;
- the attempt to develop classification for documentation on linguistics and language teaching;
- research and techniques for the benefit of modern language teaching;
- language teaching in primary and secondary education;
- measures required to ensure that all European children receive instruction in at least one foreign language;
- the introduction of new methods in modern language teaching in school, in particular of audio-visual aids and audio-visual teaching systems
- new types of out-of-school education, i.e. combined teaching systems based on television and/or sound radio and involving correspondence tuition and face to face meetings
- European co-operation in the field of language teaching.

The records also include information about the creation of the International Association of Applied Linguistics (IAAL/AILA).

Archive box no. 15.02**Council of Europe documents 1969-1972**

The 34 documents contained in this box relate to the work of five Council of Europe committees - Council for Cultural Co-operation, Committee for Out-of-School Education, Committee on Research and Development in Modern Languages, Committee for General and Technical Education, Committee for Higher Education and Research - in the field of modern languages.

This collection of papers deals with the following topics:

- educational technology towards more effective learning;
- the use of audio-visual aids in modern language teaching (systems approach to language teaching, influence of audio-visual methods on teaching);
- grammar models and their application in the teaching of modern languages; a systems approach to the teaching of "grammar" at university level;
- curriculum study in English in European secondary schools;
- assessment of oral and written proficiency in modern languages at upper secondary and university level;
- the analysis on the diversification of post-secondary teaching in Sweden;
- the language laboratory and the problems in teaching at university level;
- the role of university in language teacher training; and
- permanent education.

It includes, among others, the Council of Europe Resolution (69) 2 on an intensified modern language teaching programme for Europe; a series of monographs is dedicated to the comparative study of modern language teaching in 12 European countries (Austria, Belgium, Cyprus, Denmark, France, Germany, Ireland, Italy, Netherlands, Norway, Spain, Turkey); and information related to ASCLA (Association scandinave de linguistique appliquée) and to the Second International Congress of Applied Linguistics (AILA) (Cambridge, 8-12 September 1969).

Archive box no. 15.03**Council of Europe documents 1970-1971 (Rüschlikon)**

The 62 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe:

- Committee for General and Technical Education,
- Committee for Higher Education and Research,
- Committee for Out-of-School Education, Committee for cultural development.

The collection of papers deals with the following topics:

- evaluation in modern languages at the university level;
- evaluation within a unit/credit system of language teaching;
- implementation of a unit/credit system in the teaching/learning of modern languages in adult education;
- learning teaching of modern languages;
- linguistics research;
- means of evaluation of language knowledge;
- methods and techniques to evaluate linguistic knowledge and skills in adult education;
- new forms of organisation of the linguistic content;
- problems concerning linguistic contents and evaluation in modern language teaching/learning for adults;
- teaching of modern languages by means of the credit system.

Archive box no. 15.04**Council of Europe documents 1971-1972**

The 25 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe:

- Ad hoc committee for educational documentation and information;
- Committee for Higher Education and Research;
- Committee for out-of-school Education and Cultural Development;
- Committee for General and Technical Education;
- Population and Vocational Training Division;
- Special Representative's Advisory Committee.

This collection of papers deals with the following topics:

- the role and structure of University Language Centres in Europe;
- classification of the categories of adults needing to learn foreign languages;
- a plan for a European unit-credit system in the field of adult language learning;
- monograph on modern language teaching in Finland, Greece, Luxembourg, Malta, England and Wales, Northern Ireland, Scotland;
- evaluation in Modern languages at the university level.

Archive box no. 15.05**Council of Europe documents 1972-1973: audio-visual media, European unit credit, adult education, teacher training**

The 29 documents contained in this box relate to the work of five of Council of Europe's committees and councils:

- the Committee for Out-of-School Education and Cultural Development;
- the Committee for General and Technical Education;
- the Committee for Higher Education and Research;
- the Council for Cultural Cooperation; and
- the Committee on Culture and Education, covering different instances of media systems in language learning.

This collection of papers deals with the following topics:

- the use of audio-visual media in modern language teaching;
- the use of audio-visual media in adult and vocational education;
- the problems involved in the evaluation of multimedia educational systems for out-of-school education;
- the conditions for recurrent education at a higher level;
- the symposium on “Intensive courses for modern language teachers”
- European unit/credit system in the field of adult language learning;
- the analysis of problems in defining a basic competence level in foreign language learning by adults (in connection to the Threshold Level).

The documents also include a working paper that establishes a synthesis on the basis of contributions from: Belgium, Denmark, Germany, England, France, Netherlands, Sweden, Holy See and Cyprus; as well as a plan for a European unit-credit system in the field of adult language learning.

Archive box no. 15.06**Council of Europe documents 1972-1974 / St. Wolfgang (1973)**

The 45 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe:

- Committee for Out-of-School Education and Cultural Development;
- Committee for Out-of-School Education and Cultural Development;
- Committee for Adult Education and Out-of-School activities.

This collection of papers deals with the following topics:

- a communicative approach to syllabus construction in adult language learning;
- conceptual basis of a European unit/credit scheme;
- methods of collecting information on adult language learning (needs and use);
- needs and motivations of adults learning a foreign language;
- outline of the unit/credit scheme;
- place and importance of a general T-level in the unit/credit system;
- problems of evaluation and assessment within the framework of the units/credits system;
- problems of multi-media organisation in a unit/credit system;
- the development and launching of multi-media projects;
- units/credits system for modern languages in adult education.

Archive box no. 15.07**Council of Europe documents 1972-1973**

The 54 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe:

- Committee for Higher Education and Research;
- Committee for Out-of-School Education and Cultural Development;
- Division for Cultural Development;
- Council for Cultural Cooperation;
- Division for General and Technical Education; and
- Division for Higher Education and Research.

This collection of papers deals with the following topics:

- the European Unit/Credit system for modern language learning by adults;
- the use of audio-visual media in modern language teaching and in adult and vocational education;
- the production and evaluation of multimedia educational programmes;
- the structural and didactic integration of correspondence courses into a multi-media system of adult education;
- error evaluation, needs and motivation in language learning by adults;
- linguistic problems of adult migrant workers and socio-linguistic problems of migrant workers' children being educated in the host country;
- the situation of the Finnish Swedes.

The documents also include feedback on modern language teaching in Austria, Belgium, Cyprus, Finland, France, Germany, Italy, Malta, Norway, Spain, Sweden, Switzerland and Turkey. Furthermore they contain an outline of the European unit-credit system for modern language learning by adults, drafted by Prof. J. L. M. Trim.

Archive box no. 15.08

Council of Europe documents 1973

The 31 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe: Committee for General and Technical Education, Committee on Culture and Education, Council of the cultural co-operation

This collection of papers deals with the following topics:

- analyses of adult language needs;
- co-operation with the culture industries;
- elaboration of experimental multi-media modules;
- European co-operation in the fields of culture and education;
- European unit/credit system for modern language learning by adults;
- functional and cultural relevance of adult education: common core possibilities in vocational education, unit/credit systems;
- prospects of cooperation in multi-media systems development.

Archive box no. 15.09**Council of Europe documents 1974**

The 41 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe: Committee for General and Technical Education, Committee for Out-of-School Education and Cultural Development, Committee of Senior Officials, Council for Cultural Co-operation, Steering Group on Educational Technology, Directorate of Education and of Cultural and Scientific Affairs and Division for Out-of-School Education.

This collection of papers deals with the following topics:

- the European Unit/Credit system for modern language learning by adults;
- the dissemination, evaluation and implementation of the Threshold Level;
- the use of audio-visual media in modern language teaching and in adult and vocational education;
- the production and evaluation of multimedia educational programmes;
- the needs and motivation in language learning by adults;
- Improving the position of immigrants and their families, primarily in respect of their educational circumstances and linguistic competences;
- "German language passport for migrant workers" (Deutscher Sprachenpass für ausländische Arbeitnehmer).

Archive box no. 15.10**Council of Europe documents 1975-1976**

The 38 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe:

- Committee for Out-of-School Education and Cultural Development;
- Committee for General and Technical Education;
- Council for Cultural Co-operation;
- Division of Education and of Cultural and Scientific Affairs; and
- Division for Out-of-School Education.

This collection of papers deals with the following topics:

- the European Unit/Credit system for modern language learning by adults;
- the dissemination, evaluation and implementation of the Threshold Level;
- the use of multimedia in modern language teaching and in adult and vocational education;
- the production and evaluation of multimedia educational programmes and courses;
- the needs and motivation in language learning by adults;
- the organisation, contents and methods of adult education;
- self-management of adult learning in Norway.

The documents also include a draft report on the study "Structural framework and checklist of criteria for analysing curriculum materials for foreign language teaching".

Archive box no. 16.11**Council of Europe documents 1976-1978**

The 80 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe: Committee for General and Technical Education, Committee for Out-of-School Education and Cultural Development, Committee on Culture and Education, Council for Cultural Cooperation, Parliamentary Assembly, Steering Group on Educational Technology

This collection of papers deals with the following topics:

- early teaching of modern languages
- education of migrant workers' children
- educational technology, theory and policy
- English at Threshold level
- establishment of a European unit/credit system for modern language learning by adults
- extension of the threshold level to school education
- methodological implications of waystage and threshold level
- mobility of postgraduate students (alumni), academic teachers and researcher workers; and conditions for mobility
- modern language learning by adults
- modern languages in Primary Education
- motivation and attitudes of children, parents, teachers and administrators
- multilingualism in the University
- organisation, content and methods of adult education
- planning Procedure for a unit/credit system
- psycholinguistic and pedagogical prerequisites of modern language learning
- relationship between mother tongue and modern language learning with particular reference to disadvantaged children

Archive box no. 16.12**Council of Europe documents 1978-1980**

The 83 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe: Comité Directeur sur les Migrations Intra-Européennes, Committee for Out-of-School Education and Cultural Development, Council for Cultural Cooperation, Directorate of Education and of Cultural and Scientific Affairs, Division for Out-of-School Education

This collection of papers deals with the following topics:

- definition of language learning objectives for migrants;
- didactic implementation of the Modern Language project;
- European unit/credit system;
- evaluation and testing within a European unit/credit system;
- foreign language learning by adults;
- in-service training of teachers;
- language needs in the school;
- learning as factors for European understanding, cooperation and mobility;
- learning objectives for migrants;
- pilot experimentation in the school sector based on the CCC approach to modern language learning;
- school sector of the Modern Languages Project

Archive box no. 16.13**Council of Europe documents 1980-1981**

The 82 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe: Council for Cultural Cooperation, Directorate of Education, Culture and Sport, Division for Out-of-School Education

This collection of papers deals with the following topics:

- adult education for regional development in industrial and rural areas;
- adult educators working for underprivileged groups;
- didactic implementation of the Threshold Level Project;
- education and cultural development of migrants;
- European cooperation in the field of teacher training;
- interaction network in the school sector of the modern languages project;
- learner as communicator and as learner;
- multi-media language learning system for beginners;
- role of evaluation and testing;
- Second Language Acquisition;
- teaching and research in Modern Languages

Archive box no. 16.14**Council of Europe documents 1981-1983**

The 89 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe: Council for cultural co-operation, Division for Higher education and research, European Youth Centre, Modern Languages project group

This collection of papers deals with the following topics:

- development of the T-Levels for different languages,
- European cooperation in the field of teacher training, corresponding to the principles of the Modern Languages Project,
- in-service teacher training programme,
- language learning in higher, further and adult education, including multi-media programmes,
- multilingualism in Europe,
- pilot experimentation and in the interaction network concerning the pilot projects in the school sector,
- situation of teachers, their role and their training,
- social security system implementation,
- teaching and learning of language to the migrants, adult migrants and migrants' children.

Archive box no. 17.15**Council of Europe documents 1983-1985**

The 119 documents contained in this box relate to the work of the following committees, councils and divisions of the Council of Europe: Council for cultural co-operation, Division for Higher Education and Research, Modern languages section.

This collection of papers deals with the following topics:

- communicative language teaching in the classroom;
- developing Language Learning Objectives;
- development of threshold levels;
- education and cultural development of migrants;
- language learning by migrants and their families;
- learning objectives and courses content;
- multicultural studies in higher education.

Archive box no. 17.16**Council of Europe documents 1985-1987**

The 77 documents contained in this box relate to the work of Council of Europe's Council for Cultural Cooperation and Division for Out-of-School Education.

This collection of papers deals with the following topics:

- School system and language learning in following countries: Italy, Belgium, Norway, UK (England and Wales), Iceland, Sweden, Greece, Federal Republic of Germany, Spain;
- CDCC Modern Languages Project No. 12 “Learning and Teaching Modern Languages for Communication”;
- meetings and workshops of Project No. 12;
- modern language teaching.

These documents contain numerous handwritten changes, notes, letters, list of participants of workshops as well as the programs of the workshops.

Archive box no. 17.17**Council of Europe documents 1986-1989**

The box includes 99 documents (agendas, bibliographies, language tests, notes, papers, programmes and reports) relating to the Council of Europe activities carried out in the field of modern languages between 1987 and 1988, in particular by the Council for Cultural Co-operation, the Directorate of Education, Culture and Sport, the Committee for out-of-school education and cultural development and the Committee of Ministers.

The papers focus on:

- adult language learning
- foreign language learning
- occupationally oriented foreign language learning
- learning and teaching modern languages for communication
- planning and production of a new multimedia course for English
- educational research workshops on interactive learning and new technologies
- activities of the Council for Cultural Co-operation regarding language learning and teaching

The records also include information about Recommendation No. R (82) 18 of the Committee of Ministers concerning modern languages and the initiation of the programme on language learning for European citizenship.

Archive box no. 17.18**Council of Europe documents 1989-1991**

121 documents (abstracts, agendas, charts, lists, notes, overviews, papers, programmes, reports, summaries and treaties) relate to the Council of Europe activities carried out in the field of modern languages between 1989 and 1991 in particular by the Council for Cultural Co-operation, the Directorate of Education, Culture and Sport and the Secretariat of the Council of Europe.

The papers focus on:

- language learning/teaching methodologies and their implications for in-service teacher training
- language learning objectives for multilingual and multicultural Europe
- modern language learning in vocationally oriented education
- the use of mass media and new technologies
- bilingual education and the role of educational visits and exchanges
- curriculum development for modern languages in upper secondary, general, technical and vocational education
- learning to learn languages: learner strategies and learner autonomy
- transparency and coherence in language learning in Europe
